No Hope for Free Coinage.

HON. JOHN W. CALDWELL, ex-Congressman from the Third district, replies to those who criticize him for declaring the free coinage of silver a dead issue. He says: "I see no hope for the free coinage of silver, and know quite well that never again can Mr. Bryan, as the advocate of free silver, array behind him all the forces that supported him in 1896. Though I may be mistaken, I am fully convinced that in 1900 the issue will be fiat money and the Government control of railways, etc., for I believe that many Populists, even, have already abandoned free silver as an issue too narrow (as Mr. Watson is reported to have declared) to promise even a hope of success."

HON. E. E. SETTLE and C. J. BRONSTON will speak in this city on the afternoon of November 1st. Mr. Bronston was interviewed in Louisville, Sunday night. He said he would not be a candidate for governor, but didn't say that he wasn't going to run for Congress. When asked about the money question, he said he doubted if a ratio of 16 to 1 would preserve the ratio between gold and silver, and is willing that the ratio should be 30 to 1 if necessary.

THE voice of Hon. Sam Shackelford is not being heard proclaiming the beauties and benefits of the free silver and Chicago platform as endorsed by the convention which nominated Samuel. What's the matter with Sam?

NATIONAL DEMOCRATIC orators were heard from the stump in a number of Kentucky towns Saturday. Mr. Hindman spoke at Lebanon, Col. Patterson at New Castle, Senator Lindsay at Winchester, Gen. Buckner and Judge Baker at Adairville, Judge J. Q. Ward at Berry, the Hon. J. N. Sanders at Liberty, Mr. T. D. Theobald at Stampington Ground and others elsewhere. —[Courier-Journal.]

Are You Thin?

Look about you! See for yourself! Who suffer most from sleeplessness, nervousness, nervous dyspepsia, neuralgia, despondency, general weakness? Who are on the edge of nervous prostration all the time? Those who are thin, Opium, chloral, bromides, headache powders, only make matters worse. Iron and bitters are only stimulants. To be cured, and cured for good, you need a fat-making food. You want new blood, rich blood; and a strong nerve-tonic.
